Watch your recorded memories with Zoovio.com

Authorized Agent Program

Use this obsolete technology to increase your traffic and drive additional revenues!

An average of 30 video tapes per person in the USA storing our precious memories!

Your customers can relive and archive those precious memories currently stored on video tapes. Customers will then view those memories from their private vault on Internet connected devices like their computers, smart phones, tablets and TVs. As an authorized Zoovio agent, you will have:

Exclusivity to 10,000 people per unit.

Wholesale rate of \$7 to \$8 per transcoding credit, suggested retail of \$24.99 to \$29.99 per tape.

No cost replacement guarantee on failed equipment..

Facebook advertising.

Banners and other marketing material to get you started.

Start up equipment includes:

- Zoovio Transcoding Unit
